LD 2003 Guidance Document Announced

The Department of Economic and Community Development released the guidance document for local authorities on LD 2003 in September. This fall, the rulemaking process will be initiated for key provisions of LD 2003. July 1, 2023 is the deadline by which certain provisions of LD 2003 must be enforced. For consistency and to avoid confusion, municipalities should consider updating their local ordinances, as needed, prior to this date.

2021-2022 Nobleboro Comprehensive Plan Update – Plan Implementation Charge

The 2021 Comprehensive Plan for Nobleboro is just a plan until the Town brings the vision into reality. It will take everyone: Select Board members; Planning Board members; Code Enforcement Officer; Road Commissioner; Town Clerk; Town Committee Members; and every citizen to help Nobleboro grow while retaining the essential character of the Town. The Town's plans to ensure the implementation of the approved strategies will need regular periodic oversight by all of the stakeholders.

- We will all work together to keep Nobleboro the special place that it is while the Town grows. We may not all always agree but we can work together, respectfully.
- We will recommend the formation of a committee to assist the Town in implementing the plan. The committee, working with Town officials, will be encouraged to research issues, attend regional conferences, and carry out other tasks aimed at implementing the updated Comprehensive Plan. The committee will support the goals and strategies of the Plan as recommended and approved by the Town. This Implementation Committee will, therefore, replace the Comprehensive Plan Update Committee, and be representative of all segments of Nobleboro's population.
- We recommend that the Planning Board and Code Enforcement Officer meet quarterly, (or as needed) to review, amend, or develop new Land Use Ordinances in support of the plan's recommendations, and evolving Town requirements.
- We recommend that the Implementation Committee and Planning Board forward recommendations to the Select Board for approval prior to a public hearing. We recommend all changes to Nobleboro's Land Use Ordinances reflect the input of all stakeholders and be voted on at the annual Town Meeting to ensure maximum voter participation or, if needed, at a Special Town Meeting.
- We recommend a formal review of the Plan every 3 years to determine whether the goals and strategies are effective or require adjustments.
